Dear René,

I would like to inform you that an Equivalency Determination (“ED”) was recently completed concluding that Stichting The Green Web Foundation would be considered equivalent to a U.S. public charity.

The ED expires on December 31, 2022. While the ED is still valid, other U.S. funders that would like to support Stichting The Green Web Foundation may contact Paragon Philanthropy for information on how to have the ED re-issued for their use. Providing U.S. funders with access to this ED may help you obtain new funding more quickly and with fewer restrictions.

Please feel free to put any U.S. funder in touch with me directly via telephone at (510) 764 3007 (California) or via email at andrzej@paragonphilanthropy.com.

After the ED has expired, U.S. funders may also contact us to learn about how to request its expedited *re-certification*.

I would be pleased to speak with you if you have any questions about this.

Best,
